PLEXIGLAS®

Endoscope holder

Market segment

Furniture, exhibition, shopfitting

Products

PLEXIGLAS® XT Clear, thickness 6 mm

Fabricator

Theodor Schmid GmbH
Flat glass processing and PLEXIGLAS® fabrication
www.glasschmid.de

Customer

Richard Wolf GmbH, Knittlingen, medical
technology

Description of the application

Clear PLEXIGLAS®, with its unobtrusive transparency, puts the focus firmly on the black endoscopes. The thermoformability of PLEXIGLAS® imparts a light, airy quality to the holder, which recedes into the background and emphasizes the products presented.
