PLEXIGLAS®

Illuminated object

Market segment

Lighting Technologies

Product

PLEXIGLAS® XT Clear 0A000, 12mm thick

Fabricator/Designer

Titan-Multiplast s.r.o.
Jablonecka 1379
CZ-46851 Smrzovka

Selection criteria

PLEXIGLAS® was chosen because transparency is particularly important for light guiding.

Description of application

PLEXIGLAS® was laser-cut, assembled, and illuminated by means of LED striplights. PLEXIGLAS® is perfect for applications incorporating light due to its excellent light-guiding properties and complete transparency.
