Product showcase for tradeshow stands

Market segment

Furniture, exhibition, shopfitting

Product

PLEXIGLAS® GS White and Clear, thickness 6mm

Fabricator

Küra Acrylglas- und Kunststoffverarbeitung,
Troisdorf, www.kuera.de

Selection criteria

- Attractive appearance
- Price considerations. Wood or similar materials would have been much more expensive for the customer.
- High transparency of PLEXIGLAS® sheets shows off the customer's products to their best advantage.

Description of application

Product showcase for a tradeshow stand measuring 2,500 x 700 mm.

This showcase was made by hand for this specific order. The sheets were cut to size, bent, routed, polished and bonded.
