Coffee capsule holder

Market segment

Furniture, exhibition, shopfitting

Product

PLEXIGLAS® XT Clear 0A000, 6mm thick

Fabricator/Designer

Titan-Multiplast s.r.o.
Jablonecka 1379
CZ-46851 Smrzovka

Selection criteria

PLEXIGLAS® was chosen because it is very easy to form and the final product looks very stylish due to its transparency.

Description of application

PLEXIGLAS® was laser-cut and screw-fastened. The material's transparency underlines the clean and elegant shape and makes the capsules appear to be floating on air.
