

Referenz

PLEXIGLAS®

Euro palettes

Market segment

Furniture, exhibition, shopfitting

Product

PLEXIGLAS® Satinice White WH10 DC

Fabricator

Theodor Schmid GmbH
Flat glass processing and PLEXIGLAS® fabrication
www.glasschmid.de

Customer

S & G Automobil AG, NUFAM (trade fair for commercial vehicles), Karlsruhe

Selection criteria and description

PLEXIGLAS® is the ideal material for shopfitting and exhibition booth construction. PLEXIGLAS® Satinice White is particularly suitable here because it contrasts with black and blends perfectly with the booth's black and white color scheme.
