## PLEXIGLAS®

### PLEXIGLAS® flooring for AUDI tradeshow stand

#### Market segment

Furniture, exhibition, shopfitting

#### Location

Paris Autosalon, France

#### Product

PLEXIGLAS® Optical HC

#### Selection criteria

Scratch resistance

Brilliance, translucence

#### Fabricator

Acrysign Kunststofftechnik GmbH

95643 Tirschenreuth, Germany

[www.acrysign.de](http://www.acrysign.de)

#### Customer

metron GmbH for AUDI AG, Ingolstadt, Germany

#### Planning and sales

Schmidhuber & Partner, Munich

#### Description of application

The brilliance and exceptional translucence of PLEXIGLAS® were selected for a multimaterial composite to be used as a top layer in flooring panels. Silicon carbide inlays molded into resin were covered with a layer of PLEXIGLAS® Optical HC. This finish creates an unusually high-gloss surface and lends the appearance of depth to the floor of the AUDI stand at the Autosalon in Paris.

#### Evonik Performance Materials GmbH

Acrylic Polymers

Kirschenallee, 64293 Darmstadt, Germany
