PLEXIGLAS®

Greenhouse Beeren in Germany

Market segment

Industrial Construction & Architecture,
Greenhouse

Product

PLEXIGLAS® Alltop SDP, approx. 3.000 m²,
buildt in 2005

Location

Nettetal, Germany

Fabricator

Maurice, Netherlands

Selection criteria

- high light and UV transmission
- energy efficiency
- excellent resistance to weathering and aging

Description of the application

The Beeren company specialises in growing orchids as pot plants. To produce high-quality Phalaenopsis orchids, it takes a perfect tropical climate. Energy-saving PLEXIGLAS® Alltop double-skin sheets are ideal for this purpose. The UV transmission of the Alltop sheets makes the plants robust and compact, with vividly colored blossoms.
