

Reference

PLEXIGLAS®

Illuminated ceiling rings incorporating PLEXIGLAS® Satinice

Market segment
Lighting Technologies

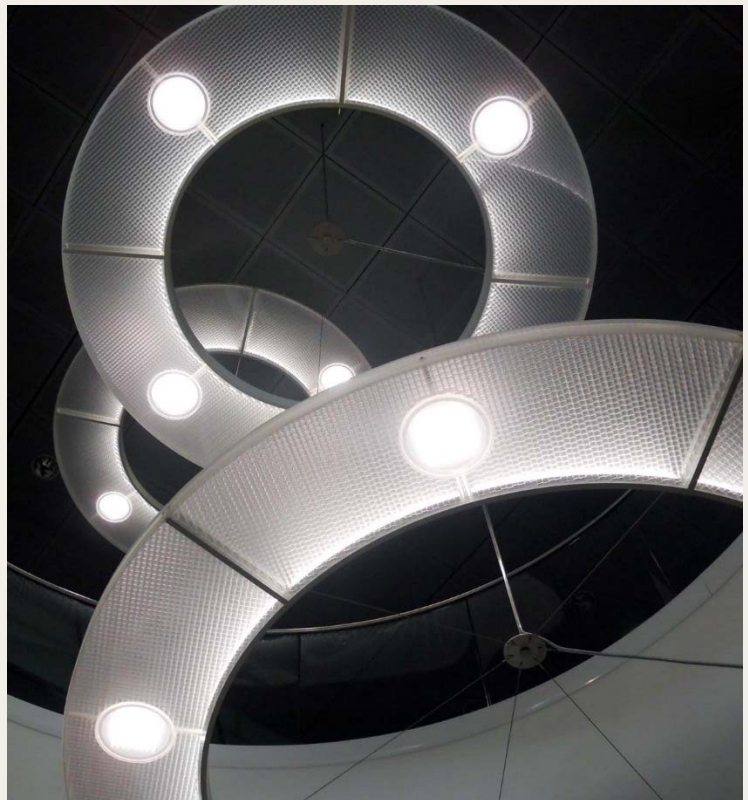

Location
BW Bank, Stuttgart

Product
PLEXIGLAS® Satinice

Selection criteria
– Luminosity, homogenous light diffusion

Fabricator
Acrysign Kunststofftechnik GmbH
95643 Tirschenreuth
www.acrysign.de

Customer
Nimbus Group for BW – Bank

Description of application

The illuminated ceiling rings seem to hover like UFOs in the reception lobby of BW Bank in Stuttgart.

To produce them, Nimbus Group enveloped honeycomb-textured sheets in PLEXIGLAS® Satinice. This makes for extremely homogenous light diffusion.
