## PLEXIGLAS®

Sailboat center Neusiedl, transparent facade made of corrugated sheet

### Market segment

Industrial Construction and Architecture,  
Roof and facade

### Product

PLEXIGLAS® Resist OA001 Smooth, WP 177/51/3

### Location

Neusiedl, Austria

### Fabricator/Designer

Holzbau Kast GmbH  
Holzweg 1  
A-7122 Gols

### Selection criteria

PLEXIGLAS® was chosen because of its excellent weather resistance and easy assembly. The shipyard is over 13m high at the highest point.

### Description of application

PLEXIGLAS® was mounted on a wooden substructure for simple and rapid construction. Owing to its perfectly smooth surface and excellent weather resistance, the material is the ideal choice for this exterior application. The transparent sheets make the very large, compact structure seem light and airy.
