### Fabricator

MAGMA ACRYLICS (Pty) Ltd.  
Johannesburg, South-Africa  
[www.magmaacrylics.com](http://www.magmaacrylics.com)

### Selection criteria

- easy to fabricate and to join
- light weight
- high quality optics

### Description of the application

The Sandton Skywalk connects the Sandton Conference Centre with the Shopping Mall Sandton City.

As a part of the large-scale modernization and extension of the building with some new and exclusive shops like Prada, Gucci and Louis Vuitton the former wooden wall covering was replaced by a mosaic made of PLEXIGLAS® Hi-Gloss and wall tiles in metal optics. The aim was a harmonious transition to the new and exclusive shops.

To receive a homogenous surface PLEXIGLAS® Hi-Gloss was joined together with the other materials on a 4 mm thick transparent PLEXIGLAS® sheet.
