

Reference

PLEXIGLAS®

Shoe presenter with PLEXIGLAS® Satinice and fluorescent PLEXIGLAS® GS

Market segment

Furniture, exhibition, shopfitting

Location

Munich, Germany

Product

Fluorescent PLEXIGLAS® GS, PLEXIGLAS® Satinice

Selection criteria

- Design
- Luminosity

Fabricator

Acrysign Kunststofftechnik GmbH
95643 Tirschenreuth, Germany
www.acrysign.de

Planning and sales

HECKHAUS, Munich

Description of application

The shoes appear to be suspended in air on circular supports made of PLEXIGLAS® Satinice. The circles of fluorescent PLEXIGLAS® GS inserted between aluminum rods are especially eye-catching, as they appear very luminous even in the dark.
